Provincial Championship Stinger Stick Program

The Ontario Ringette Association is proud to announce that the Stinger Stick Program is being reinstated under the Sponsorship Agreement for Provincial Souvenirs with Emphasis Sports Marketing (ESM)

When the ORA entered into the agreement with ESM, new awards and giveaways were made available to the teams. The removal of the Stinger stick program was an oversight and not a conscious decision by ESM to "cancel" the program.

During the recent Provincial Championships, the teams voiced their displeasure at the fact that the Stinger stick program no longer existed. Your comments were heard and acted upon.

Players on the winning division teams at the upcoming "A" Provincial Championships will be awarded a customized Stinger stick.

Players on the winning division teams at the recent "AA" Provincial Championships will each receive a customized Stinger stick.

The Stick program was started in 2002 as a collective project of the ORA and The Ringette Store.
